New Raised Garden Beds at A Place Called Home

Growing Natural Beauty at the Shelter

Thanks to the generosity of donors and volunteers our new raised bed gardens are being put to excellent use. On June 3rd Jamie and Glenda Morris attended our shelter to begin planting a variety of plants and flowers for the summer. "The intention is for the garden to add beauty to the environment and bring pleasure to the residents. We hope they will enjoy its beauty and enjoy taking care of the watering, weeding, and general

maintenance of our beautiful flower garden. Everybody likes to have a garden," says Glenda, current Board Director. Marigolds, pansies, zinnias, snapdragons, Dusty Miller, verbena, spearmint, and chives have been added to the new green space and canna lilies have been planted along the fence at the back of the shelter property. Thanks are extended to Kathy and Peter Anderson, Frank Smith, and Toward Balance Network for their support of this green project and also to Home Hardware for the generous donation of a water collection barrel for the shelter. Special thanks go out to our residents who helped to prepare the space and will help to maintain it in the future.

Donations are Always Welcome at the Shelter

We are always in need of household supplies and personal care items

We are often asked: "what do you need at the shelter?", "can you accept (this)?", and "how do I make a donation?" We have developed a list of ongoing needs for the shelter and our outreach clients. Oftentimes, we are in need of household supplies such as mugs, dinner plates, cutlery, paper towels, Kleenex, toilet paper, and SOS pads, and at other times we need deodorant, shaving cream, lip balm, sunscreen, and AA batteries. Sometimes we are in need of bath towels and sheet sets as our residents are welcome to take one set of these items to their new apartments when they find safe and secure housing. We always welcome meat products, non-perishable food items, and fresh fruit vegetables and eggs at our shelter kitchen. Please like and follow our Facebook page at www.facebook.com/APCHLindsay for up-to-date shelter needs.

Annual General Meeting: Board Recruitment

October 25, 2017 at 6:00pm at Cambridge St. United Church

We are actively searching for individuals interested in joining our Board of Directors. As a member of the Board of Directors, you will be responsible for the organization's consistent achievement of its mission and organizational objectives. Core responsibilities include: policy formulation, decision-making, and oversight. The board member will demonstrate strong leadership skills, resourcefulness, creativity and commitment. She/he seeks out solutions to board related challenges and identifies and capitalizes on new opportunities. The ideal board member will be one whose personal philosophies mirror the beliefs and value systems of A Place Called Home. Commitment is 1 Board meeting per month, attending/assisting during fundraising events, and committee work. Please contact Lorrie Polito, Executive Director, at 705-328-0905, ext 222 or lorrie@apch.ca for more information.

Making a difference in your community

Volunteering is a great way to give back to your community and non-profit organizations appreciate the time and effort of those who have the gift of service. At APCH we encourage individuals with a passion for volunteering to attend the administration office to complete an application form. Opportunities for volunteering occur during the planning and implementation of our fundraising activities, food and donation pickup; at this time there are no openings within the shelter or with clients, although food preparation is sometimes on the list. For more information about volunteer opportunities at APCH you are encouraged to visit our website at <http://www.apch.ca/how-you-can-help/#volunteer>.
